Miss Corinne Bass, President
Southeastern Chapter, A.A.L.L.

Dear Corrine:

I have received your letter of May 4th in regard to the annual report of the Chapter. I am enclosing the suggestions I have forwarded to Sarah in regard to the report.

I think your suggestion to find out how many people will attend the Southeastern Conference meeting by asking for advance registration is a good one. I expect to attend but the best of my knowledge there will be no one else from this library.

I think it might be a very good idea to have a Chapter meeting on the morning of the 27th in Philadelphia as you suggested. There should be a pretty good representation of law librarians from the Southeastern at that meeting as it is so much nearer than Chicago for most of us.

I am not at all sure whether it would be better to have the nominating committee for the Chapter composed of a group close to each other so that they can get together, or to have a committee composed of members from each section. In order to give the widest representation it might be better to do the latter. Perhaps Dorothy Salmon or Pearl Von Allmen would be able to serve from the Kentucky section. Jeanne Tillman of Wake Forest and Sarah Leverette would also be good. I don't know whether these suggestions will be of much help or not. I realize only too well what a job you have on your hands and I will be more than happy to do what I can to help you.

In regard to the agenda for the next meeting, I would like to see definite plans for the continuance of the Newsletter. I do think we could do a lot of good for this area by the regular publication of such a Newsletter. The one which is being put out by the Ohio Law Library Association is, I think, a very excellent example of what can be done along these lines. If you have not been getting copies of this, I will be glad to forward the copies I have to you, or I am sure Doris Fenneberg will be able to get you some copies. I am planning to attend the meeting in Philadelphia and will look forward to seeing you then.

Sincerely,

Thanks for the session laws. We really appreciate them
